PREVIEW 05.10.2026

GRINDELWALD MARKET

Grindelwald's village center transforms into a colorful market. From morning until evening, the street belongs to the many small market stalls, which, with their enticing aromas, offer delicious treats, loudly promoted, quirky handicrafts, all sorts of knickknacks, and bargains. Of course, there are plenty of bar stands for socializing and a children's carousel for the little ones.
